Mr. J. E. Curry Chief of Police

Sir:

Re: Interview of Reserve Officer, Patrolman Alvin B. Craig, 285

On November 30, 1965 Reserve Officer, Patrolman Airin B Craig was interviewed by the undereigned Officers as to any information he might have concerning the shooting of Lee Harvey Oswald which was not covered in his original report dated November 27, 1965.

After having read his original report, Craig states that there is nothing of significance which he could add to this first report.

Graig further states that at this time he has not been contacted by and federal agency.

Respectfully submitted,

F. I. Cornwall, Lieutenant Special Service Bureau

Sack Revill, Lieutenant Special Service Bureau
